GEORGE W. De Long Post G. A. R., held a meeting Tuesday evening, at which Post Commander Samuel Nott was made the recipient of a very handsome gavel. The presentation was made by Quartermaster Jay Green.

OWING to the day being a Government holiday very little business has been done. All the consular flags were flying and a good many ships in the harbor displayed bunting. Some of the stores and the bank closed at noon. A salute was fired at noon from the shore battery.

WE would like to ask Consul Irwin whether it would be possible for him to arrange wrestling and fencing matches by the Japanese for the benefit of the public at large. Say, out at the Makiki grounds on Saturday afternoon, as we suppose some of them will be leaving on Monday. It would be a rare treat to us all.

THE mail by the S. S. Mariposa will close at the Post Office Saturday morning at 10 o'clock; a late letter bag at 11:30 o'clock, on payment of an additional five cents. Applications for money orders by the same steamer will be received until noon to-morrow.

THE Superintendent of Water Works gives notice that water will be shut off on Liliha, Judd, Nuuanu (above Judd), Pauoa, Punchbowl, Lunailo to corner of Kapiolani Street, to-morrow, from the hours of 8 a. m. to 3 p. m., for the purpose of cleaning the reservoir.

CHAS. HUSTACE, the well known King street grocer, has received a splendid stock of new goods by the Mariposa. These goods are really too numerous for us to mention, but we strongly advise everyone to call and see him, for his prices are such as suit the times, and his goods are first-class.

MESSRS. SCHAEFER & Co. have just received from Bremen some very handsome designs of stone filters and wine coolers. They are sole agents in these Islands for the Geo. Goulet brand of champagne, which is unsurpassed for quality and reputation. This firm has constantly on hand a large stock in quarts and pints.

IT appears that some parties are taking proceedings to have the Hawaiian Bazar placed in bankruptcy. Our notice yesterday was perhaps a little premature, though the proceedings were taken and a hearing will be given in the Supreme Court on Saturday. Mr. Kennedy, one of the partners, has filed a bill in equity. The Bazar remains closed.

THE Union Feed Co. has received in the last few days ex Norway, Forest Queen, and Mariposa, a very large stock of Hay and Grain, consisting of 1,000 bales of Hay, 1,000 bags of Oats, 1500 bags Barley, 1,000 bags Bran. Their large and spacious warehouses are pretty well filled at the present time. Their large supply will only last a few weeks, and by the Alameda they are to have another large lot.

THIS morning, precisely at eight o'clock, a very interesting ceremony took place at the Palace. A few minutes before the hour a detachment of soldiers marched from the barracks with the Royal Standard and a new flag for Her Majesty Queen Kapiolani. As the clock struck eight they were hoisted up on the top of the building, the drum corps playing from the barracks. The Queen's flag, which was hoisted for the first time, is a very handsome one. It is a white ground, in the centre of which is a red circle with the inscription "Kalaulani," the whole of which is surmounted by a crown.

YESTERDAY afternoon the Royal Hawaiian Band gave a concert at the Immigration Depot for the benefit of the Japanese immigrants. Among those present were His Majesty the King accompanied by Col. C. H. Judd, their Excellencies the Minister of Foreign Affairs and the Attorney General, His Ex. R. M.

Daggett and lady, Hon. A. S. Cleghorn, Justice McCully and lady, Col. and Mrs. Iaukea, Prof. and Mrs. Scott. During the afternoon the Japs gave a very fine exhibition of their powers in wrestling and fencing, much to the delight of everyone present. Consul Irwin was present and made every one feel at home. The Japs were delighted with the playing of the band.

THE annual meeting of the Sailors' Home Society was held this morning, the Hon. C. R. Bishop presiding. The minutes of the last meeting were read, after which the treasurer's report was read and accepted. It showed no debt on the home at the close of 1884. The following were elected trustees to serve for three years, ending Dec. 31st, 1887: Messrs. S. M. Damon, B. F. Dillingham, H. F. Glade, A. S. Cleghorn, W. W. Hall and Rev. E. C. Oggel. The meeting then adjourned.

THE FIREMEN'S PARADE.

THIS morning opened out beautifully fine for the annual parade of the Honolulu Fire Department. Shortly before the time appointed for the procession to start large crowds of people gathered in the vicinity of the bell tower, the starting point. All the engine houses were gaily decorated for the occasion. At five minutes past ten o'clock three taps from the large bell in the bell tower announced that all was ready, and immediately afterwards the procession started. First came four juvenile members of the department carrying flags, followed by the fire police, after which were Chief Engineer John Nott, First Assistant Engineer Chas. B. Wilson, Secretary Henry Smith, Fire Marshal James McGuire and Engine Surveyor John C. White. The Royal Hawaiian Band under Bandmaster Berger was next, followed by the various companies in the order named:—

HONOLULU ENGINE CO. No. 1.  
The engine, which was drawn by four bay horses, was most profusely decorated and looked as bright as a new silver dollar. The members were neatly dressed in dark blue.

MECHANIC ENGINE CO. No. 2.  
Their engine was drawn by four grey horses and was most beautifully decorated with flowers and evergreens. The men looked very neat in black pants, red shirts and helmets.

REFORMATORY SCHOOL BAND.  
ENGINE CO. No. 4.  
Over the driver's seat was an arch of evergreens, and there was also one over the hose cart with the figure 4 suspended from the centre. The engine looked beautifully bright and the members made a neat appearance in their appropriate costumes. The engine was drawn by four bay horses.

PACIFIC HOSE CO. No. 1.  
The wagon had recently been painted in an elegant manner. This was its first appearance in public and was admired by everybody. The floral decorations were very profuse. The company made a very excellent showing.

HOOK & LADDER CO.  
No attempt at decorations had been made by this company.

CHINA ENGINE CO. No. 5.  
This company made the finest showing and turned out in largest numbers. Their engine was prettily decorated with evergreens and Chinese designs. Immediately following was a large, handsome banner most beautifully worked. In the centre was China No. 5 in large letters. This was followed by two more Chinese banners, and then the company looking very neat in their blue jackets with white helmets.

The procession was followed around by a large number of people and was quite a success, though we should like to have seen the members turn out in full strength.

When the procession arrived at the Palace His Majesty the King, attended by Col. Judd, His Ex. the Premier and Brigade Major Hayley appeared on the verandah. Chief Engineer Nott ascended the steps and tendered the congratulations of the Fire Department on His Majesty's reaching the eleventh anniversary of his accession and the second of his coronation, and expressed the wish of the Department that His Majesty may live and reign to see many more such occasions.

THE King in reply expressed appreciation of the compliment and desired the Chief to convey to the firemen of Honolulu his firm conviction that the Fire Department was in a very efficient condition, a conviction formed from what he himself had witnessed at recent fires in the city. The procession then marched out of the Palace grounds.
